

How We Break Ties in Grass 'League' Play:

Premise: You play 3 opponents (matches) each night.
0 – 21, 0- 21, 0 – 15, all cap.

TFC assign 3 points to every match.

If you win 2 straight games you get all 3 points.

If you win in 3 (win 2, lose 1) games, you get 2 points and the other team gets 1 point.

In the event of a 2 way tie occurring, whoever wins the head-to-head takes the lead.

In a 3 way tie, you'd have to resort to point differential in all matches played by the 3 teams.

Make sure 'all' your scores are recorded accurately 'before' leaving the field.
